Ute/Trailer with hungry boards	\$	24.20	(inc. GST)
Truck 1T-5T	\$	109.00	(inc. GST)
Truck 5T-10T	\$	266.00	(inc. GST)
Truck Over 10T	\$	435.00	(inc. GST)

Green Waste

Clean green waste ½ the general waste fee.

Contaminated green waste, same as the general waste fee.

Other Charges

Tyres – Cars (per tyre)	\$	6.05	(inc. GST)
Tyres – Trucks (per tyre)	\$	24.20	(inc. GST)
Tyres – Tractor (per tyre)	\$	60.50	(inc. GST)
Vehicles – if delivered	\$	36.30	(inc. GST)
Vehicles – if collected	\$	96.80	(inc. GST)

Note: All oils must be removed from vehicles prior to disposal.

Large items such as trucks, demountables, buses, plant, etc. for disposal will be subject to a price agreed by the facility manager and payable at the time of disposal. The general basis for calculation will be the cubic meterage of the item multiplied by a rate of \$44/m³.

Commercial or Industrial enterprises with regular disposal requirements are encouraged to contact Paul Hockings at Nhulunbuy Corporation Ltd. on 8939 2200, to arrange an annual waste facility pass at a discounted rate. Any enterprise not having such a pass will be required to pay the appropriate fee prior to disposal of their rubbish.

For clarification, the annual garbage service fee paid at the time of the general service charges (rates) covers domestic ratepayers for their twice weekly garbage collection and the tip lease and maintenance costs. The figure paid by commercial and industrial property owners covers only the lease fee and maintenance costs.
