**Monthly Ops Report February 2019**

- **CEO Meeting with CouncilBiz** – AM met with the IT manager and CEO to discuss services on offer. NC’s financial software program doesn’t align with the program CouncilBiz use but NC may use the opportunity to gain another quote on IT Management.
- **LGANT** – NC Managers and NC as an organisation are members. They have great resources with regard to employee relations and in other areas such as Governance.
- **FBP meeting with Culture College** – They were interested in the relationship with NC and whether NC could support any of their activities they conduct in the Nhulunbuy area.
- **Aviation and Compliance** – CEO updated Town Board on noted CASA Regulations have had changes coming into place for over a year. NC is currently over catering for capacity at the moment, it is a matter of whether we keep going or scale down to meet regulations.
- **Animal Management Report Number of Dogs Unregistered** – CEO stated that anecdotal evidence from NC Animal Management Officer is that unregistered dog numbers are decreasing. NC have been conducting a campaign of community awareness because some new residents to town from other local government areas maybe confused as they do not require animals to be registered.
- **Depot Break-in** – NC had CCTV footage and the young people responsible were apprehended very quickly. Chemical products and paints etc have been relocated to a more secure area within the depot.
- **Table Tennis Table** – Concrete being installed at the Aquatic Centre.
- **Youth Council** – First meeting this Friday 29 March 2019.

6. **Community Heritage update**

- **RTA Grant for More Artwork in Nhulunbuy** – NC’s CHA has commissioned artist Andrew Burke to paint some communal areas in town.
- The paintings are to be located;
  - BBQ at Rotary Park
  - Bus Stop at South near Rotary Park
  - Bus Shelter in Town Centre
  - Front of Stage at Hindle Oval 1
  - Wall on Franklin Street along the back of Woolworths Loading Dock
- CHA presented the artists concepts to town board of local flora and fauna, providing a link with previous art in the Town Centre such as the bins.

7. **General Business**

**For Information and Discussion - Corporate Plan Survey, Review and Draft**

- NC CEO presented two documents, an internal review that NC Managers conducted with the Board of Directors. The review was essentially about what NC had achieved in the existing plan. This is displayed as a colour coded chart like a scorecard to measure the progress of NC up to now.
- Infrastructure is NC’s weak area; the RTA order of magnitude study will provide NC with a valuable resource moving forward.
- MC updated that NC aligns with the National Construction Code and given we’re on a special purpose lease which is really no different from other towns and that we’re
outside of the building control zone, we still administer tenure as if we were in that building control zone.

- As part of NC internal management review, we have not changed vision, corporate goals or the values of the organisation. We have made minor changes to some of the outcomes and what we might achieve in these areas.
- NC Board of Directors has agreed with management that NC need to have a larger focus on Risk Management, Community Engagement, Youth and Economic Development. NC will also focus on improving internal systems and contract management. Additionally, NC will develop and maintain a water management strategy.
- NC will also be working on fostering close relationships with traditional owners and indigenous organisations and being a more inclusive organisation.

New Action: 54/19 NC to look into Alcohol Reference Group – AM to look into the group previously known Alcohol Reference Group and review objectives in consultation with Miwatj.

- NC will work on developing recycling strategies and collaboration with EARC regarding how the Nhulunbuy community can progress with recycling.

For information – NCL 1st Quarter Newsletter

- CEO noted the latest NC Newsletter for information including a Town Board update.

For information – Permit Design for Home Trader & Mobile Traders

- CEO updated the Town Board on NC’s procedure when home traders or mobile service providers purchase permits through NC currently. Executive Assistant designed permits to be supplied when permit fees are paid to NC in addition to the receipt of purchase.
- The policy needs to be updated with the fact that we are issuing permits and receipts.

8. Other Business

Walking Trail in Sunday Territorian – Regarding Nhulunbuy Walking Trail Launch

- LW provided the article out of session to the Town Board. The editor of the Territorian visited AM as a meet and greet.

Caravan in Gungunnu Close

- MC updated Town Board that she contacted NTG who provided the tenant next to the caravan with letter as they were powering the caravan. NTG stated in the letter that the Caravan needed to be removed as it wasn’t an approved arrangement. AM will follow up with NTG and issue a non-compliance.

Vehicle Outside Angicare

- MN updated Town Board that she’d spoken to Anglicare Regional Operations Manager and the vehicle’s removal has been delayed due to insurance red tape but will be removed the first week of April.

Pedestrian Crossing on Chesterfield Circuit Located near NPS

- LW raised that a Nhulunbuy resident had contacted her with respect to there not being a crossing near the town centre end of Chesterfield Circuit for Children to safely cross.

Secretary:  Chairperson:
Date:  Date:
• AM to refer matter to NC Manager of Strategic Infrastructure to assess historical information and look at the crossing with respect Australian Standards.
• Community education campaign may be required regarding behaviour of motorists at the pedestrian crossing.

**Federal funding for Sporting Facilities in Nhulunbuy**

• LW suggested that possibly Town Board, given the corporate plan review engage with federal and territory government around funding or investment in sporting infrastructure.
• AM to draft letter to candidates identify sport and recreation facilities and also reinstate funding for night patrol as the only regional centre without a dedicated night patrol service and also reinstating the youth program in Nhulunbuy that was withdrawn in 2016.

**NC Non-Compliance issues**

• With our revised non-compliance procedure being almost to completion, areas that NC will target are building non-compliance, shipping container non-compliance and home/mobile trading non-compliance amongst other issues such as green waste and general waste hazards on town lease.

**Aged Care Facilities**

• RTA are still working with the government representatives and ARCS. They have been held up by not receiving funding agreement from the Commonwealth. RTA are helping Uniting care to work through these issues.

There being no further business, the Chairperson declared the meeting closed at 10:40am.

Next meeting: Tuesday 23 April 2019, commencing 8:30am.
